TOWN OF GLOCESTER
NOTICE OF PROPOSED PROPERTY TAX RATE CHANGE

The Town of Glocester proposes to increase its property tax levy to \$26,023,935 in the 2024-2025 budget year; the property tax levy this year (2023-2024) is \$25,095,096.50. The fiscal year 2024 and fiscal year 2025 tax levies have excluded motor vehicle excise tax for the purpose of determining tax levy growth pursuant to current law. THIS IS A PROPOSED INCREASE OF 3.74%.

The proposed tax levy increase would result in a property tax rate of \$13.96 per \$1,000 of assessed valuation for residential real estate, \$16.75 per \$1,000 of assessed valuation for commercial/industrial/mixed use property and \$28.50 per \$1,000 of assessed valuation for tangible personal property, as compared to the current property tax rate of \$14.25 per \$1,000 of assessed valuation for residential real estate, \$17.08 per \$1,000 of assessed valuation for commercial/industrial/mixed use. Tangible personal property tax rate of \$28.50 per \$1,000 of assessed valuation has been capped in alignment with RIGL 44-5.3-3.

The preliminary fiscal year 2024-2025 tax levy does not include a tax on motor vehicles given the phase out of the motor vehicle tax in the State of Rhode Island.

A property tax rate of \$14.00 for residential real estate, \$16.78 for commercial/industrial/mixed use property and \$28.50 for tangible personal property would be needed in the coming budget year to raise the maximum levy authorized by section 44-5-2 of the general laws.

The Town of Glocester Town Council will hold a Public Hearing on Monday, April 22 at 7:00 PM to consider the budget. Please check meeting posting 48 hours prior to the meeting at the Secretary of State Public meeting look up or on the Town's Website at www.glocesterri.gov to obtain specific meeting information.

The purpose of the hearing will be to obtain written or oral comments from the public on the Operating and Capital Improvement Program Budgets for the Fiscal Year July 1, 2024 to June 30, 2025. All interested citizens, groups, and individuals are encouraged to attend.

An all-day referendum will take place on Tuesday, May 21, 2024 from 8:00 am until 8:00 pm at the Glocester Senior Center, 1210 Putnam Pike, Glocester, RI 02814.

The above property tax estimates have been computed in a manner approved by the Rhode Island Department of Revenue.

William Worthy, Town Council President, Town of Glocester

Glocester Heritage Society

... bringing history alive!

Job Armstrong Store • 1181 Main St. • PO Box 269 • Chepachet, RI 02814

*History is identity. It is our historic heritage
that defines Glocester as a unique place.*

The Glocester Heritage Society seeks to bring history *alive*!

The Glocester Heritage Society, a 501c3 nonprofit organization, is always in need of new members to accept leadership positions, serve on committees, and lend support to our ongoing projects.

The Society's activities, projects, and special events are wholesome activities for the whole family, as well as personally rewarding and educational.

What is The Glocester Heritage Society ?

We preserve the history of Glocester and share it with our community at our three historic sites: Job Armstrong Store, Dr. Reuben Mason House and The Evans School House.

The Society is headquartered at the Job Armstrong Store at 1181 Main Street in historic Chepachet, Rhode Island. Built about 1814, this building was the largest of the thirteen dry goods and grocery stores operating during the early 1800's in Chepachet, with 4 to 5 clerks working full-time. The building was purchased by the Glocester Heritage Society in 1971 and was gradually restored. It now includes a **Visitor Center** along with **vendor events** within the building. We welcome the public to our meetings held April thru August on the 3rd Monday each month at 6PM in the Job Armstrong Store.

Please be assured that the members of The Glocester Heritage Society appreciate all the time, talent and treasure the residents of Glocester continue to donate in support of our efforts to **"Bring History Alive"** here in Chepachet.

Please consider joining our group of volunteers to strengthen the organization in keeping our Mission moving forward.

Join us today and enjoy all the benefits of a GHS membership

"As a testament to craftsmanship and care, we **HAND-NAIL**. It requires attention to detail and ensures each shingle is properly fastened. While it may take more time and effort compared to using air-guns, hand-nailing can result in a more durable and precise roofing job. It's a choice that reflects a commitment to quality and longevity."
