NEW ENGLAND ROOFING

Bill Cahill 568-0541

When you hire me, you get me!

No sub-contractors

Over 35 years in business

50 Year warranty on new shingle roofs

"As a testament to craftsmanship and care, we HAND-NAIL. It requires attention to detail and ensures each shingle is properly fastened. While it may take more time and effort compared to using air-guns, hand-nailing can result in a more durable and precise roofing job. It's a choice that reflects a commitment to quality and longevity."
